

Traffic signs in Australia

In areas where animals may cross roads you will see signs like these. You need to look out for the animal shown.

These signs are found around schools. It means that during 8am-9.30am and 2.30pm-4pm, drivers must drive at 40km/h. This is because there are lots of children crossing the road.

These signs are found in areas with lots of tourists. The signs are to remind international tourists that we drive on the left hand side of the road.
